

COYOTES WIN FROM ALUMNI BY STICKWORK

Untrained Has-Beens Fall Before Bats of Osborne's Men; Coyotes Back Heftin Up With Even Dozen of Bingles

HIGH SCHOOL CAMPUS, Feb. 22.—The Alumni came over from Phoenix today and got licked. Dick Heftin did part of it and so did the Alumni. Dick kept the hits scattered and scarce, and the Alumni kept the errors many and frequent.

Heftin started off by fanning a brace of Alumni in the first frame. Benvenuto and Peters were the victims. Fin Westfall was not so lucky, for the Coyotes worked him for a pass and a scratch hit and required a run.

It settled down to a driving contest, with the locals having the edge. They concentrated three blows in the third, for a couple of runs, while Heftin, backed up by Harry Westfall in the role of the original nipper of steals, held the visitors.

In the seventh, the Coyotes caught the Alumni off their balance; smashed the ball, upset George Peters and continued the merry round until five runs had been scored.

With the score 14 to 3 in their favor, the Coyotes howled gleefully when Coach Osborne sent Seaman to pitch the odd inning. Osborne said he needed to develop a third hurler against the demands of University week, so Seaman stuck. He was whaled for a double by Harrison and a sacrifice fly by Ladd that scored a run. Then he held the old timers safe.

Next Saturday the Coyotes meet the Braves on the Indian school grounds. **AB R H PO A E**

PISTOL SHOOTERS TO GET CHANCE SUNDAY

Old Timers, Jealous of Automatic, Put in Bid for Chance at Targets—Shoot Framed Up.

Some weeks ago when the Phoenix Rifle Club put on a shoot for lovers of the .45 automatic pistol there was a hue and cry from handlers of the more ancient weapons. They declared that they were not given a square deal, and that if they were allowed to go out on the range, with their antediluvian weapons, scores the like of which history has never witnessed would be made.

In order that the discontented ones might be mollified in their loud demands, Capt. Guiley of Company "A" of this city has agreed to engineer a shoot for next Sunday for pistols only. Any kind of a weapon that can bark and bite as far as 75 yards will be allowed to enter. No special caliber will be necessary; in fact, anything from a .22 up will be permissible.

There will be a practice match in the morning and in the afternoon at 2 o'clock the real shoot will be pulled off. An entrance fee of one dollar will be charged, the money thus collected to be split seven or eight ways in order that quite a number will have an opportunity to cash in on their skill.

The main events will be shot over the 25, 50 and 75 yard range, all at slow fire. There will probably be a 15 and 25 yard shoot also.

All those who contemplate going are requested to come by the armory on First street on their way out, and pick up less fortunate ones who have no way of transportation.

K. C. BIKE RACE

[Republican A. P. Leased Wire]
 KANSAS CITY, Feb. 22.—Four teams, the Lawson-Cameron, Lawrence-Martin, McNamara-Madden and Thomas-Kaiser, forged a lap ahead by frequent sprints today and went into the lead in the six-day bicycle race at Convention hall here.

Their work at the close of thirty-one hours riding was 716 miles and 9 laps. Four teams were one lap behind the leaders and the Orlt-Rudi-Russe team trailed three laps behind the leading teams.

WILLARD BETTER: IS GOING TO GOTHAM

[Republican A. P. Leased Wire]
 CHICAGO, Feb. 22.—Tom Jones, manager of Jess Willard, stated tonight that the fighter and his party would leave for New York next Thursday night.

He said Willard's cold had almost disappeared and that he would begin training in earnest upon his arrival at New York for his bout with Frank Moran.

NORMAL TAKES FALL OUT OF TEMPESTS

Six Innings of Fast Baseball Before Teams Loosen Up; Errors Plentiful

[Special to The Republican]

TEMPE, Feb. 22.—Six innings of speedy interesting baseball were presented to the fans at this afternoon's annual Tempe high and normal game, and then after the pedagogues had piled up five runs to the good on their opponents, play slackened, and while one nine hit hard at bat the other team fielded poorly on the diamond. The resultant score was 13 to 7 in favor of the Normal.

Quite up to expectations the two squads played sterling ball through the first few innings. Kelley Moor made first on an error and then proceeded to negotiate the remainder of the bases on a wild throw, putting one score across for the Normal in the first frame. Two more runs were chalked up the fourth inning and the Tempests came across with a trio at the same time. The seventh was an unlucky inning for sure though, and after the Tempests had made four runs and taken a lead of three scores over their opponents, the pedagogues came back in the very same inning and tallied eight runs on their three hits and the high schools five errors. After that lightning little Tempests lost heart and the best they could do was to hold the Normal to a 13 to 7 score.

The score:
 Normal Runs.....130 210 818-13
 Hits.....600 110 328-7
 Errors.....961 111 628-6
 High School Runs.....600 200 460-7
 Hits.....160 100 400-9
 Errors.....260 110 500-9

BATTALION CUP WON BY LOCAL COMPANY

The First Battalion Cup, put up six or seven years ago by officers of the battalion, to be shot for on each Washington's Birthday, was permanently won yesterday by a team representing Company "A" of this city.

Company "A" had won the cup twice before, and according to stipulations made at the time the cup was put up, it now belongs to them. Their opponents yesterday was a team from Company "B" from Mesa.

The winners made a score of 77 to 718 made by the Mesa team.

The local team was made up of Capt. Guiley, Lieut. Shamhart, Sgt. Thompson, A. J. Linville, W. H. Linville and J. R. Cox. The Mesa team was composed of Lieut. Lee, Brimhall,

Openshaw, Pomoroy, Webb and Valentine.

The shooting was done over 200 and 300 yard courses, at both slow and rapid fire.

Well! Fellows, guess we had some assembly yesterday morning during the first hour. Amos Yates and Everett Edmondson sure must be natural born orators from the way they delivered their spools in assembly.

Nick Osborn is up at high now, dictating to the typists in the commercial department. He brings that work around every year. Some of the students are in hopes he will forget it next time. But its good practice, nevertheless.

University week will be some week. More than twenty ball clubs are entered in the baseball tournament, and athletes from all over the state are to participate in the big track meet. Oh, of course, P. H. S. will have another special train, with Prof. Jones ahead of the arranging committee.

Coach Geary said yesterday afternoon that the track kids can expect a good, hard work-out each evening from now on. By that he must mean, "No more vacations for the track members."

The students are certainly proud of Amos Yates. He won first prize in the oratorical contest Monday evening, under the auspices of the Arizona society, Sons of the American Revolution.

Bob Boardman is thinking seriously of pulling a visitors' day at the "Y" before long. Guess quite a number of water sports will be pulled on that evening. This will help the contestants who are entered in the big swimming meet, to be held at Tucson during University week.

The faculty has been invited to attend a picnic, given by Elizabeth Wilson, next Saturday morning. Hurrah for the faculty.

P. H. S. vs. Indian school on the Indian school diamond Saturday afternoon, starting at 3 o'clock sharp, will be the main event for all baseball fans. Met a fellow the other day who was

surprised to hear that there was going to be a debate up at the high school on this "Philippine Independence" question. Said he doubted that those fellows who called themselves "Senators" in that "Coyote Forum" could speak intelligently on a subject so deep. We did not openly doubt his knowledge about the question, but told him he would do well to go Wednesday afternoon and get wise about the Philippines.

Heftin sure pitched some ball yesterday in the Alumni-P. H. S. ball game. The baseball manager was offered \$15,000 for this young lad after the game had passed the fourth inning. Do you blame him for not selling this player?

For a while the captain of the Alumni team wanted to call forty minutes' intermission, to give his outfielders a rest. We sure feel sorry for the poor old "has-beens."

The scowlers had to cool up town for more lead pencils. The runs kept coming in, and the poor old scowls were battered all over, making runs, hits and errors.

Here is one on the younger generation. It should be considered before it's too late. This little poem was printed in a paper called "Froth," published at Pennsylvania State college, where hundreds of ambitious young men have struggled into learning:

Tobacco is a dirty weed,
 I like it;
 It satisfies no normal need,
 I like it;
 It makes you thin, it makes you lean,
 It takes the hair right off your head;
 It's the worst darn stuff I've ever seen,
 I like it.

Don't forget the Junior class play, to be staged in the high school auditorium on the evening of March 23rd.

Well! All is well, that ends well.

CALIFORNIAN BEATS EASTERN TENNIS CRACKS EASTERN MAN CLEANS CALIFORNIA TOURNEY

R. L. Murray Beats Man of Yale and Is First Coast Player to Be Nation Indoor Champ

[Republican A. P. Leased Wire]

NEW YORK, Feb. 22.—R. Lindley Murray, the young Californian, the star of the national indoor tennis tournament, captured the national singles championship today, winning from Alrick H. Man, Jr., former Yale captain, in 2 straight sets. The score was 6-2, 6-2. Murray gave a remarkable exhibition, working with spectacular smashes, volleys and drives, against which his adversary, although displaying skill and speed, was unable successfully to compete.

Murray is the first player from the Pacific coast to win the national indoor championship. Charleston B. Gardner made the attempt in 1910 but failed.

In the championship doubles match, Arthur M. Lovibond and William Rosenbaum defeated King Smith and Arthur S. Cragin. The score was 1-6, 1-6, 6-4, 8-6, 10-8.

Man was the first to score in the singles match, taking the first game, only to have Murray take five in a row, chiefly by coming up to the net and smashing. The second set was similar to the first. Murray's deep shots with the puzzling bounds caused Man to hit the ball upward and Murray smashed his overhand shots into the corners of Man's court.

So heavy was Murray's volleying in this set that he smashed his racket. Man succeeded in bringing his drop shot into play in the third set, and breaking through Murray's service, took the lead on games. In the tenth game Man was within a stroke of winning the set, but the Californian, volleying with marvelous speed, checked the onrush of his opponent, bearing him back by the sheer audacity of his assault, and winning 9-7.

LOCAL WIGWAM HAS ANNUAL INJUN DAY FORWARD MAKES A GOOD MILE RECORD

Although there was no racing yesterday did not pass without some notable motorcycle doings. Washington's birthday, 1916, was the second world-wide wigwam day, the second occasion upon which the entire distributing force of the Indian motorcycle (printer—this is correct spelling) entertained in honor of the new models.

At the Motorcycle Shop, the local Indian agency, Agents Charles Gardner and Ben Landis exhibits the powerful motor to many patrons. Don Johns, Morty Graves and Mrs. Graves of the Indian racing team, were guests of honor. In the forenoon the new motorcycles were lined up in front and photographed, together with H. T. Roseland, of the Goodyear tire agency here, who is specially interested because both stock and racing Indians are Goodyear equipped.

The motorcycle races, planned for yesterday, were performed put off until Sunday, owing to the condition of the track. The remaining days of the week will give both promoters and riders new opportunities to prepare for the race.

Oliver Millard of the Olympic club took the eight mile modified marathon in 44:26 and was closely pressed for seven and a half miles by Edward Wright, Olympic club, San Francisco. Finished two yards behind Forward.

The mile and eighth mile races were feature events of the running carnival held here today under the auspices of the San Jose Y. M. C. A. and participated in by 60 well known athletes of Central California. Strong teams were entered by the Olympic and California clubs of San Francisco. H. Ludwig of the California club won the two mile event in 9:24 1-5. Oliver Millard was second.

[Republican A. P. Leased Wire]
 SAN JOSE, Feb. 22.—If the course was correctly measured, Ari Forward, a San Jose high school strapping, ran within one and two-fifths seconds of Norman S. Tabors' mile record, covering the distance in 4:14. Eddy Wright, Olympic club, San Francisco, finished two yards behind Forward.

The race was over a stridgeway course on a paved street and there was a slight wind at the back of the runners. Tabors' mark was made indoors on a 10 lap track.
